Restrictions may apply

There are rules I have
to follow.

I might be too big for some of the activities.

I will need to read the rules
so I can stay safe.

When I choose to sit
and build with
LEGO...

... I may be sitting next to other kids I do not know.

I can tell them my
name and share the
LEGO.

We can have fun
building together!

Other people may get really close to me.

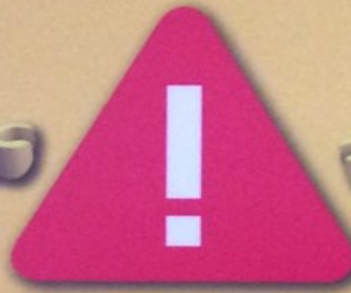

I can take a deep breath
and find a space...

to take a break!

There are many friendly adults who work here that can help me if I have a question.

WARNING!
CHOKING HAZARD
Small parts. Not suitable for
children under age 3

It is important that I follow
the rules so I can have
fun and stay safe!
